

April 7, 1945

Mr. A. J. Hammonds
442 East Washington Street
Greensboro, North Carolina

Dear Sir:

I have just received word from S. H. Posey that the EAGLES and Grays are playing in Greensboro April 17th, 1945. Will you please confirm this date?

Also let me know if you would be interested in having the EAGLES back the following week or two weeks later. We will be playing around that neighborhood and would be able to stop through on our way home for opening. Have you a local team for us to play or would you want us to bring one of the other league teams there?

Mr. Pompez's Address is 87 Lenox Avenue, New York, N.Y. , c/o the New York Cubans. He is not in New York now, but I am sure the mail will be forwarded to him. I doubt if he will be back until the early part of May.

There is no new club that Lionel Hampton will manage that I know of. New York still has just the Cubans and the Yankees. Will appreciate hearing from you right away about the dates.

Very truly yours,

EFFA MANLEY
Business Manager
